Formative Assessment 4
The Lighthouse Bistro

Read properly and execute the following instructions:

1. Create a webpage with the following configurations:
   a. The title (using the <title> tag>) of the webpage should be your full name (Surname, Firstname).
   b. Configure CSS for the body element. Set the text to center align, 12.5% for left and right margin, 75% of width, and 2px solid blue border.
   c. The <header> contains an h1 with the text "The Lighthouse Bistro" and h2 with the text "the best coffee on the coast". The header tag must have a light gray background color. The h1 with 0 margin on top while h2 text must be italicized.
   d. The <article> contains a text that contains the phrase "Experience the melodramatic sipping of the coast's best coffee, while dancing in the waves with the Lighthouse Cruise." and a video. The text is inside the paragraph tag that has monospace font. Meanwhile, the video must have width of 75% and controls are visible.
   (*For the video needed, use the link below: lighthouse.mp4*
   https://jeunilongo.github.io/CS3/Module6/lighthouse.mp4)
   e. The <footer> should contain the copyright and name of the author. It must have a background color of light gray.
